DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-5, 11-14 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or suggest an image display device having a plurality of light sources, each emitting light of different primary colors and formed of a plurality of light emitting devices having different spectra in combination with an image analysis device that adjusts the emission spectra of the primary color components based on an image signal of an image displayed on a modulation device. The prior art of record also fails to teach or suggest a display device having an illumination device for outputting light of a plurality of primary color light components and formed with a plurality of light sources having different luminescent colors capable of being adjusted for emission spectra of the primary color light components which are then separated into primary color light beams.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to William C. Dowling whose telephone number is 571-272-2116. The examiner can normally be reached on MON-THURS.
